

MEMORANDUM OF UNDERSTANDING

For Academic Cooperation

Between

Chiang Mai University, Thailand

And

National Korea Maritime & Ocean University, Republic of Korea

The National Korea Maritime & Ocean University, Republic of Korea and Chiang Mai University, Thailand recognizing the benefits to their respective institutions from the establishment of international links, enter into this Memorandum of Understanding. The aim of this MOU is to promote academic and educational exchange between two institutions.

1. Both universities agree to encourage and develop to the following academic and educational collaborative activities on a basis of reciprocity.
 - 1.1 Exchange of faculty members and researchers for research and education purposes
 - 1.2 Exchange of students including course studies, short-term programs etc.
 - 1.3 Academic cooperation on collaborative research, lectures and conferences in areas of common interests
 - 1.4 Exchange of academic information and materials in the field of mutual interest
 - 1.5 Any other collaborative efforts that may deem beneficial to both institutions
2. Specific activities or projects based on this MOU will be separately negotiated and will be subject to further agreement detailing the parties' responsibilities, obligations and conditions relating to each activity or project.
3. This MOU may be amended or modified by a written agreement signed by the representatives of both institutions.
4. This MOU is valid for a period of five (5) years from the date of signing by the representatives of both institutions. If neither institution gives a written notice to the other of its desire to terminate the present MOU at least six (6) months prior to its expiration, this MOU shall be considered to be automatically extended.
5. This MOU is written in the English language with two (2) copies produced, with each copy being equally authentic.
